

## **Stronger than the King**

I am just a woman.  
A strong, powerful woman.  
A pioneering woman.  
A beautiful, kind woman.  
Yes, I am a woman.  
The world open at my door.

~

I am burning fire.  
I am strong, unquenchable.  
My flames untouchable.  
The world will burn on my feet-  
shake at my potential-  
as inch by inch I take back  
the land made for women.

~

I am blinding lightning bolts,  
my shock painful to watch-  
but I'm irresistible.  
Untouchable-I am  
too powerful-a woman's  
voice-Unsilenceable.  
My resolve unbreakable,  
my soul unparalleled.  
And it's because I am a woman,  
that my great strength is unstoppable.
